

August 29, 2021

Dear Parishioners,

Pursuant to the governor's order on August 26th requiring that masks be worn in all indoor spaces regardless of vaccination status, the Diocese of Joliet has updated requirements for all parishes. You can read the dioceses' latest statement here: [https://www.dioceseofjoliet.org/siteimages/bishop/20210827\\_COVID19Guidance\\_StatewideMaskMandateFINAL.pdf](https://www.dioceseofjoliet.org/siteimages/bishop/20210827_COVID19Guidance_StatewideMaskMandateFINAL.pdf)

Please note that the mask requirement includes all of our indoor spaces in the parish, from the church to the parish center.

Though I had hoped we'd reached the day where masks are a thing of the past, it appears we're not quite there yet. Please continue praying for the eradication of COVID-19, and for that day to come. Thanks for your understanding.

God Bless,  
-Fr. Josh
